on the same computer...

A photograph of four people in an office setting. Three men and one woman are gathered around a laptop. The woman on the left is wearing glasses and a red top. The man in the center is wearing a red shirt. The man on the right is wearing a blue shirt. The man in the background is wearing a plaid shirt. They are all looking at the laptop screen. The image is framed by a thick black border.

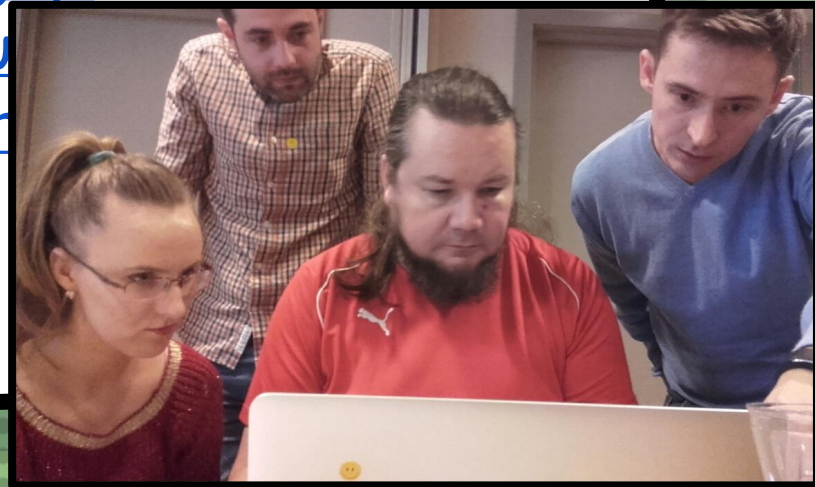

Planning - usually on a whiteboard

TDD - planning by designing tests
